

World Series Of Poker Sponsorship Agreement  
(See important disclosures on page 2)

You (hereafter known as the "Foolish Investor") are reading this document because you have expressed an interest in purchasing a piece of Shabbir's (hereafter known as "The Fish") World Series Of Poker (hereafter known as "The Big Crap Shoot") entry in exchange for a percentage of his winnings. You make the following Representations and Warranties.

1. Foolish Investor acknowledges that they have been apprised of The Fish's poor poker skills.
2. Foolish Investor acknowledges that he or she understands that The Fish has put himself out of poker tournaments by overplaying small pairs, Ace-Eight-offsuit, Queens, and once, getting talked into laying down a non-nut straight by a smooth-talking player who convinced him he was holding the nut straight.
3. Foolish Investor acknowledges that The Fish will be entirely outclassed at The Big Crap Shoot by pretty much anyone who walks into the casino and plunks down \$1,000 to play.
4. Foolish Investor acknowledges that they are buying a 10% piece of The Fish for \$100 for the \$1,000 No limit Hold'em event on August 3rd ("The Big Game").
5. Foolish Investor acknowledges that all prize winnings will be computed net any withholding imposed by the casino running The Big Crap Shoot.
6. Foolish Investor disavows proceeds from any other tournaments that The Fish plays in while in Vegas.
7. Foolish Investor acknowledges that no other sports bets, casino bets, or wagers of any kind are expected for their \$100.
8. Foolish Investor agrees not to make life difficult for Shabbir in the unlikely event that he actually wins something and his accountant (hereafter known as the Ginormous Pain In The Ass), decides to issue a complicated tax document to all Foolish Investors.
9. Foolish Investor agrees that The Fish need not reward him with any sort of compensation if The Fish gets his ass handed to him on a plate by any number of minor professional poker players in The Big Crap Shoot.
10. Foolish Investor agrees that suckouts where online lunatics drawing to the only card in the deck to beat The Fish are a fact of life in poker, online and off, and agree to hold The Fish harmless from all damage inflicted by such behavior.
11. Foolish Investor agrees that online poker is rigged, and that this is the only way to see a decent return on a poker investment.

The Fish represents and warranties the following:

1. The Fish will play online poker tournaments consisting of no less than 100 people at least once per month in order to train for The Big Crap Shoot.
2. The Fish will not cripple his stack by overplaying Seven-Two (suited or not) in an attempt to show the other poker players at the table that he can "play the player without having any worthwhile cards".
3. The Fish will play to the best of his ability, and will get at least eight hours of sleep the two nights before the tournament and refrain from alcohol or drug use which may cloud his ability to play in The Big Crap Shoot.
4. The Fish will arrive at least two days before the beginning of The Big Crap Shoot to ensure that jetlag is not a factor in his performance.
5. The Fish will not start dating Vegas show girls, strippers, cocktail waitresses, hostesses, dancers, or actresses, or conduct himself in any immoral way that might throw off his mental focus during the week of The Big Crap Shoot.
6. The Fish will ensure that his cellular phone will remain on mute during The Big Crap Shoot, as the sound of a crying infant with similar genetic material has been known to completely tilt The Fish.
7. The Fish will return a small gift that memorializes his trip to The Big Crap Shoot to each Foolish Investor, the value of said gift not to exceed Twenty (20) Dollars.

8. The Fish will not inundate Foolish Investors with Bad Beat Stories designed to create sympathy for The Fish in the case The Fish gets put out on a statistically unlikely hand. The Fish got to play in The Big Crap Shoot, and that should be reward enough.

Hereby signed and memorialized:
